We are the beneficiaries of our Veterans' sacrifice so please join us to assist the partners and the children of those who gave their lives or their health for our country. Legacy provides the essential social, financial and developmental support that these families depend on each day and 2023 is Legacy's Centenary!

Defence recognises Industry as a fundamental input to capability and as such Industry will play a significant role in developing, delivering and sustaining defence capabilities.

DISC brings together and exposes participants to key aspects of the environment in which defence and Industry will need to navigate, collaborate and partner to successfully deliver and sustain capability for our Defence Force.
