## x2 JFD Divex Diving Watches

**Donation from JFD  
David Wotherspoon**

Dive into sophistication with a pair of JFD Divex Professional Commercial Diving Watches, featuring one his and one hers timepiece.

Crafted with precision and durability, these professional-grade diving watches not only exude style but are designed to withstand the rigors of commercial diving.

Whether exploring the depths of the ocean or adding a touch of adventure to everyday life, these watches seamlessly blend functionality with elegance.

Elevate your timekeeping experience and make a splash with this timepiece dynamic duo that embody both form and function.

Combined RRP of \$700.

# Item Details

## Electronic Grenade Simulator VIP Kit

Donation from Secure Bits  
Nick Owen

The Electronic Grenade Simulator is a functional prototype developed with Jericho disruptive innovation, currently being demonstrated to Army and in use by special forces for soldier training.

This electronic training device flashes and beeps, and is generally representative of an F1 grenade. The VIP kit includes an EGS unit (Grenade), carry bag, spare bumpers, a single bay desktop charger and power supply.

This is only one of four VIP kits ever produced: one for the CDF, one for the Chief of Army, one for the head of Jericho, and now one for you.

This simulator is fully functional and can be used for training, display or for general amusement. Serial number SB-DISC23.

## Scale Model of HMAS SUPPLY A195

Donation from Navantia  
Mathew Harman

Own a piece of naval history with a meticulously crafted Scale Model of HMAS SUPPLY A195 at 1:550 scale.

Commissioned at Fleet Base East on Saturday 10 April 2021, HMAS Supply (II) was constructed by Navantia.

This intricately detailed model celebrates a versatile vessel designed to carry fuel, dry cargo, water, food, ammunition, equipment, and spare parts. It also provides crucial operational support for naval and combat forces deployed on extended missions.

Beyond replenishment duties, these vessels can combat environmental pollution at sea, offer logistics support for the armed forces, and play a pivotal role in humanitarian and disaster relief (HADR) operations following natural disasters.

# Item Details

## HMAS Stirling Experience

Donation from CMDR Marilyn Griffiths, HMAS Stirling

Members of HMAS Stirling will showcase the beauty and extensive capabilities at Garden Island WA or Fleet Base West.

Two industry members will be escorted via private vehicle to see the wharfs and any vessels alongside, training facilities and have lunch in the Sir James Stirling Mess. See the unique Tamar which is distinct to Garden Island WA.

Those interested in infrastructure projects will see numerous activities underway.

This experience is considered priceless.

**Conditions:** Visit subject to scheduling considerations but expected to occur in late Jan - end Feb 2024. Transport to and from the venue will be at the winners' own expense.

The image shows a close-up of a building's facade with a large, stylized 'NIOA' logo. The logo consists of a white 'N' above the letters 'IOA', all set against a dark, vertically-slatted background. A blue diagonal graphic element cuts across the bottom right of the image.

NIOA

## Charter Flight Experience for 8

**Ventia**  
Gold Sponsor

Embark on a sky-high adventure with this Charter Aircraft Experience for 8 of your friends, family or colleagues. Generously donated by Ventia with a RRP of \$13,000.

This exclusive opportunity offers a return east coast charter flight in a Ventia aircraft, providing a unique travel experience for you and your chosen guests.

Departing and returning on the same day from an east coast capital city or regional airport of your preference, this bespoke journey promises breathtaking aerial views.

Auction winner must contact Bradley Grimes at Ventia in 2024 with six weeks notice, subject to the availability of one of three aircraft.

# Item Details

## Original Acrylic Painting, 'Surfer'

Donated by Kerry Inkster  
Artist

Professionally stretched, signed, ready to hang and enjoy!

This painting uses professional quality artist acrylics and mediums. Canvas has been primed with Golden Self Levelling Medium, creating texture and an impression of movement to the surface of the painting. The artwork is sealed with a Matisse Gloss Varnish for surface protection and a glossy finish.

**Artist's Description:** "Named after a line in Adrienne Rich's poem *Diving into the Wreck* where Rich is said to have used the prose as a metaphor for equality - she is both mermaid and merman under the water.

Nothing quite as liberating as seeing a young woman take on the sea - in my view a courageous and exhilarating passion suited to the fiercest and most open heart."

# Item Details

## x4 MCC Visitor Tickets to Boxing Day Test

Donation from Alex Hurcombe

Immerse yourself in an annual cricketing spectacle with this exclusive opportunity: 4 MCC Visitor tickets to the 2023 Boxing Day Test at the iconic Melbourne Cricket Ground, featuring Australia v Pakistan on Thursday 28 December 2023.

Don't miss the chance to be part of the excitement on this unforgettable day at the MCG.

Escorted into MCG by MCC Member and MCC dress codes apply.

# Item Details

## The UniSA Millennium Falcon

Donated by University of South  
Australia, Future Industries  
Institute

May the Force be with the highest bidder!

Embark on an intergalactic journey with the UniSA Millennium Falcon.

This unique piece is a meticulously crafted 0.3mm replica of the iconic Millennium Falcon, complete with a glass dome serving as a magnifier to enhance every intricate detail.

Whether you're a Star Wars enthusiast or an admirer of precision craftsmanship, this miniature masterpiece is a must-have for your collection.

Your bid not only secures a remarkable collector's item but also contributes to Legacy and the well-being of those who have served our country.

# Charity Auction Rules

## **1. Bidding begins at 7:30pm and ends at 9:30pm**

## **2. Bids must meet the reserve**

Auction item reserves are priced based on their fair market value

## **3. Bids subject to a \$20 AUD minimum bidding increment**

Bids under the minimum bidding increment risk disqualification

## **4. Bidding on an item multiple times is allowed**

Each bid must meet the \$20 minimum bid increment requirement

## **5. All bids and sales are final**

Bids and sales of DISC23 Auction items are binding, no returns on an item won

## **6. Bidders agree to pay in full at the end of the auction**

Winning bidders must pay at the end of the auction by EFTPOS. Items are not released to winners until payment received in full

## **7. Items may change or be withdrawn without notice**

## **8. Limits may apply**

There are limitations on several items including black-out or use by dates

## **9. Age restrictions apply**

Must be over 18 years to bid

## **10. Bidder assumes all risk**

Bidders assume any and all risks or hazards associated with items they win

## **11. Winners will be determined at the end of the auction**

DISC23.au will clearly communicate who the winner is for each item (the bidder who has the highest recorded bid at the close of the auction) and how winners can collect their items

## **12. Items are sold as-is**

It is the bidder's responsibility to carefully inspect or familiarise themselves with an item for any discrepancy or damage before bidding
